14. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under section 170 of the Companies Act, 2013 ('the Act'), will be available for inspection by the members at the AGM.
15. Relevant documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company from 11.00 A.M. to 2:00 P.M. on all working days, up to the date of the Annual General Meeting.
16. All the members requested to physically present at the Meeting in person or by proxy to attend the 15th AGM of the Company.
17. The investors may contact the Company Secretary for redressal of their grievances/queries. For this purpose, they may either write to it at the registered office address or e-mail their grievances/queries to the Company Secretary at the following e-mail address: karnimatacoldstorage@gmail.com

18. Dispatch of Annual Report through E-mail

In accordance with the MCA Circulars and the SEBI Circulars, the Notice along with the Annual Report of the Company for the financial year ended March 31, 2026, will be sent only through e-mail, to those Members whose e-mail addresses are registered with the Company or the Registrar and Share Transfer Agent (the "RTA"), i.e., M/s. Bigshare Services Private Limited or the Depository Participant(s). The Notice and the Annual Report for the financial year ended March 31, 2026 shall be available on the websites of the Company viz., www.karnimatacoldstorage.in and the Stock Exchange where Equity Shares of the Company are listed. The Notice shall also be available on the e-Voting website of the agency engaged for providing e-Voting facility, i.e., Bigshare Services Pvt. Ltd at <https://ivote.bigshareonline.com>.

19. E-VOTING PROCESS

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on Wednesday, 16th September, 2026 at 9.00 A.M. and ends on Friday, 18th September, 2026 at 5.00 P.M. During this period shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Saturday, 12th September, 2026 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular **no. SEBI/HO/CFD/CMD/CIR/P/2020/242** dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

INDUSTRY STRUCTURE & DEVELOPMENTS:

Cold storages in India preserve agricultural produce for a fixed period of time (varying from one day and extending upto several months) at low temperature. Refrigerated storage helps in eliminating sprouting, rottage and tuber moth damage and in reducing weight loss of the agricultural produce.

India is the largest producer of fruits and second largest producer of vegetables in the world. Fruits & vegetables, being perishable in nature require certain techniques of preservation for retaining the freshness intact and making them an acceptable item even after few days of ripening. It also facilitates the farmer to realize a better price instead of selling the product at a throw away price due to the perish ability. This necessity as evolved a new concept of storing these items at below or just above sub-zero temperatures known as cold storage. Introduction of Cold storage/Cold room facility will help them in removing the risk of distress sale and simultaneously will ensure better returns. Varied agro climatic conditions and better availability of scientific package of practices, there is a vast scope for increasing the production.

Cold storages are essential for extending the shelf life, period of marketing, avoiding glut, reducing transport bottlenecks during peak period of production and maintenance of quality of produce. The development of cold storage industry has therefore an important role to play in reducing the wastages of the perishable commodities and thus providing remunerative prices to the growers.

Cold Storage is also essential in qualitative post-harvest management as well as food security and food quality by efficiently handling agricultural products upstream & downstream. Refrigerated storage helps in eliminating sprouting, rottage and tuber moth damage and in reducing weight loss of the agricultural produce.

We believe that the need for setting up and construction of cold storage facilities is highly required for the preservation of potatoes which is a cash crop and the same shall be equally beneficial to both producers and consumers and shall there by strengthen the rural economy of perishable commodities. Our project envisages perfect backward and forward linkage of marketing activities as an essential pre-condition. Further it has become a practice to accommodate necessary finance to hirers of the cold storage against their stocks stored in the cold storage in order to keep the price or potato steady and allow the support price to the growers of potato. Providing this seasonal finance is an important factor in the growth of our business.

OPPORTUNITIES & THREATS:

The cold storage facilities are the prime infrastructural module for such perishable commodities. Cold storage is the modern method of food preservation over a considerable period at ambient conditions. The preservation of food due to refrigeration, which involves the use of low temperature to eliminating or retarding the movement of spoilage agents. The degree of low temperature required for adequate preservation varies with the type of product stored and with the length of time the product is to be kept in storage. The cold storage is initially specified by its application for the preservation time of the product as short term and long term storage.

The cold storage system is poised to become a game changer for India's food and agricultural industry. While ensuring access to food for all, it will play a major role in boosting India's economy. Since infrastructure is still at a nascent state, cold storages could help reduce the burden on farmers and industries in transacting with other stakeholders. The

apparent benefits of cold storages are so high that they could curtail inflation and reduce dependency on price sensitivity and volatility. A strong interplay of private players, markets and farmers is required for sustaining and developing the sector. Investments need to be attracted through right strategies, as the sector has a long-term effect on the health of the people and the economy of the state. Price control measures and regulations have to be minimised and eventually stopped to tap the benefits of market in cultivating fruits and vegetables. The inter linkages developed between them will define the gross output of fruits and vegetables market in India and its contribution to the global market. With the advent of technology, it is only a matter of time before the warehousing systems are revolutionalised with increasing demands and pressure on supply chain. It is therefore pertinent to have the right strategies in place to support the need of building an efficient cold storage industry in india..

India has a dynamic and strong in food processing sector playing a major role in diversifying the agricultural industry, improving opportunities and creating surplus nourishment for agro produce. Cold storage India has the goal of keeping vegetables and fruits fresh is to preserve quality, freshness, vitamins, and flavor. The condition of fruits and vegetables begin to deteriorate as soon as they're cropped. Wastage of vegetables and fruits due to poor post-harvest management and lack of availability cold chain facilities.

India cold chain industry has been marked and recognized as the emerging sector as it's holds a lot of untapped opportunities due to large current infrastructural demand and supply gap. With the advent of new technologies and demand generated by the major perishable products, India cold chain market revenue growing rapidly. However the agriculture sector in India is expected to generate better momentum in the next few years due to increased investments in agricultural infrastructure such as irrigation facilities, warehousing and cold storage. The growing use of genetically modified crops will likely improve the yield for Indian farmers. The Government of India through the Ministry of Food Processing Industries has formulated a number of policies for extending assistance in the form of grant, subsidy and soft loan to agro food processing industries. In order to give impetus to promotion of all Agro Food Processing Industries several incentives and concessions have been granted.

Our Unit located in the district of Paschim Medinipur of West Bengal, which is traditional potato growing region and also West Bengal is one of the top three potato growing states in India and hence we believe that the chances of shortfall in the crop may not happen in the near future. However there are some threats of crop failure due to the weak monsoons, lower seed sown by farmers as the price volatility of potatoes in the earlier year, natural calamities, crop diseases and labor scarcity etc. As your Company's main revenue is the rental income from storing potatoes and any shortfall in the crop harvest will affect to achieve the targeted capacity.

SEGMENT REPORTING:

The Company is engaged in the business of providing cold storage facility on rental basis and providing loans to traders and farmers and as such Accounting Standard 17 regarding Segment-wise Reporting issued by the Institute of Chartered Accountants of India and notified under the Companies (Accounting Standards) Rules, 2006 doesn't apply to our Company.

OUTLOOK:

The agriculture and food processing sectors in India have been developing and today India is a net exporter of food grains. However, lack of proper and adequate food storage, processing and cold chain logistics remains a serious challenge. The government had earlier constituted a National Task Force on Cold Chain in 2008. The Government of India is one of the driving forces in developing the cold chain industry and supports private participation through various subsidy schemes and grants. Investment in cold chain in India was also opened under the automatic route for 100% FDI participation. The existing cold chain in India largely comprised comparatively small private companies with a regional or local footprint.

Globally cold chains have now become an integral part of supply chain management for the storage and transportation of temperature-sensitive goods. The focus has now shifted from increasing production to better cold storages and transportation of food produce. The utilisation of cold chain logistics includes both cold storages and refrigerated transportation and is used to increase the shelf life of food produce.

RISKS AND CONCERNS:

The management cautions that the risks outlined below are not exhaustive and are for information purposes only. Stakeholders are requested to exercise their own judgment in assessing various risks associated with the industry and the Company.

Cold storage units provide storage facility to agricultural products on rental basis and your Company providing storage facility of Potatoes. Hence the main revenue of the Company depends on the potato growing, especially in the Paschim Medinipur area and adjacent areas of Paschim Medinipur, West Bengal i.e. the prime areas of potato harvesting. As cold storage industry related to agro products there are several risks associated with. Failure of potato crop in West Bengal State and specifically in and around Paschim Medinipur location, variation in potato prices in West Bengal and technical failures of key utility infrastructure such as power, water, machinery, uncertain climatic condition etc. And also in West Bengal the rent chargeable by the Company to the farmers and traders is set and controlled by the State Government. A decrease in rents ordered by the State Government or a substantial increase in operating costs not accompanied by the matching increase in rent would adversely affect our results.

RISK MITIGATION

The Company has built excellent relationship over the years with the local farmers and traders of potatoes. Also there is no other cold storage facility of our size and capabilities within a radius of approximately 10kms from our storage unit. And your Management continuously is trying to focus on long term strategies to identify such locations where there is demand supply mismatch; for future growth and expansion and mitigating the risk.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has proper and effective internal control systems commensurate with its nature of business and size of operations to ensure that all controls and procedures function satisfactorily at all times and all policies are duly complied with as required. These are considered adequate to reasonably safeguard its assets against loss or misappropriation through unauthorized or unintended use.

There is adequate and effective internal audit system that employs periodic checks on on-going process. During the year the Company has appointed M/s Kshitiz & Co., 51, Nalini Sett Road, 5th Floor, Room No- 19, Kolkata- 700007 as the Internal Auditor of the Company. The Audit Committee of the Board of Directors regularly reviews the internal audit report and the effectiveness of internal control system in order to ensure due and proper implementation and due compliance with applicable laws, accounting standards and regulatory guidelines.

HUMAN RESOURCES

The Company has dedicated team of employees who have been contributing to the progress and growth of the Company. The manpower requirement of offices of the Company is assessed continuously and recruitment is conducted accordingly.

Your Company takes pride in the commitment, competence and dedication shown by its employees in all areas of business. Your Company has developed a comprehensive “in-house” induction training module to make sure that new employees understand the basic aspect of the Company in its all operations.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF KARNIMATA COLD STORAGE LIMITED

Report on the Audit of the Financial Statements

Re: Karnimata Cold Storage Limited (The Company)

CIN : L01403WB2011PLC162131

Opinion

We have audited the accompanying financial statements of Karnimata Cold Storage Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2026, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditors' Report thereon

- The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report in the annual report for the year ended March 31, 2026 but does not include the financial statements and our auditors' report thereon.

Contd.....

- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.
- We have nothing to report in this regard.

Responsibilities of Management and those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and

Contd.....

- obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to financial statement in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and evaluating the results of our work; and (ii) evaluating the effect of identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we based on our examination, give in the "**Annexure A**", a statement on the matters specified in paragraph 3 and 4 of the Order, to the extent applicable.
2. Further to our comments in the annexure referred to in the paragraph above, as required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;

Contd....

- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021, as amended.
- e) On the basis of written representations received from the directors as on 31st March, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act;
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure B**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal control with reference to financial statements of the Company.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(xiv) In respect of Internal Audit System:

- (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports issued to the Company by its internal auditor.
- (xv) According to the information and explanations given to us and based on our examination of the records of the company, the company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence provisions of section 192 of the Act are not applicable to the Company.
- (xvi) (a) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
- (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities requiring a valid Certificate of Registration from the Reserve Bank of India.
- (c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India.
- (d) Accordingly Clause (xvi)(d) of the order is not applicable.

(xvii) The company has not incurred cash losses in the current financial year and in the immediately preceding financial year.

(xviii) There has been no resignation of the statutory auditors during the year and accordingly the provision of clause 3(xviii) of the order is not applicable.

(xix) According to the information and explanations given to us and on basis of the financial ratios, ageing and expected dates of realization of financial assets and payments of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however state that this is not an assurance as to the viability of the company. We further state that our reporting is based on the facts upto the date of audit report and we neither give any guarantee or any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.

(xx) In our opinion and according to the financial statements, company is not covered by Section 135(1) of the Companies Act 2013, regarding Corporate Social Responsibilities (CSR). So this clause is not applicable to the Company.

(xxi) The reporting under (xxi) is not applicable in respect of audit of financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

Annexure B to the Independent Auditor's Report
(Referred to in paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date)

Report on the Internal Financial Controls with Reference to Financial Statements under Clause (i) of Sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Karnimata Cold Storage Limited** ("the Company") as of March 31, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Contd....

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes to the financial statements for the year ended 31st March, 2026

1. Corporate Information:

Karnimata Cold Storage Limited was incorporated as a private limited company on 29th of April, 2011 later on converted into a public limited company w.e.f. 4th December, 2012 under the provisions of the Companies Act, 1956. The company is engaged in cold storage business. It initially set up a cold storage during FY 2011-12, having capacity of 18,000 M.T. in Medinipur district (West Bengal) for preservation of potatoes and during the FY 2013-14 the capacity was increased by 7,500 M.T. The company came with Initial Public Offering (IPO) of Rs 303.6 Lakhs during the FY 13-14, and was listed on SME Platform BSE Limited on 18th March 2014.

2. Basis of preparation of financial statements:

The financial statements have been prepared and presented under the historical cost convention on the accrual basis of accounting following generally accepted accounting principles in India (GAAP) and comply with the Accounting Standards issued by the Institute of Chartered Accountants of India & notified under the Companies (Accounting Standards) Rules 2006 as amended and the relevant provisions of the Companies Act, 2013. The financial statements are presented in Indian rupees.

3. Summary of significant accounting policies:

- a. **Use of estimates:** The preparation of the financial statements in the conformity with the GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.
- b. **Fixed Assets:** Fixed assets are stated at historical cost of acquisition/construction inclusive of duties, taxes, incidental expenses and erection/commissioning expenses up to the date the asset is ready for intended use.
- c. **Depreciation and amortization:** On fixed assets, depreciation is provided on straight line method. The depreciation has been provided as per schedule II, on the basis of useful life of assets. Useful life of Plant & Machinery (Continuous process plant), and electrical installations as per Schedule II of Companies Act, 2013, is 8 yrs and 10 yrs respectively but it has been taken 25 yrs as per the certificate from technical consultant dated 30.10.2014
- d. **Impairment of assets:** At each Balance Sheet date, management assesses, using external and internal sources, whether there is an indication that an asset may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the asset and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the present value as determined above. Actual results could differ from those estimates.

- e. **Inventories:** Items of inventories are measured at lower of cost or net realizable value.
- f. **Revenue recognition:**
- i. **Sales:** Revenue is recognized to the extent that it is probable the economic benefits will flow to the company and revenue can be reliably measured. Revenue from sale of goods is when all the significant risks & rewards of ownership of the goods have been passed to the recognized buyers, usually on delivery of the goods. The provisions of AS-9 are complied with the extent applicable to the company.
 - ii. **Income and expenditure:** Income and Expenditure are accounted for on accrual basis, wherever ascertainable.
- g. **Employee benefits:** Short-term employees' benefits are recognized as an expense in the Statement of Profit and Loss of the year in which the related service is rendered.
Regarding post employment benefits, the policy under LIC Group Gratuity scheme is in force. Provision for gratuity is made in the accounts on the basis of Actuarial valuation made by LIC and all the eligible employees are covered by Provident Funds and Miscellaneous Provisions Act, 1952.
- h. **Foreign exchange transactions:** Since the company did not have any foreign exchange transactions, the provisions of AS -11 are not applicable to the company
- i. **Borrowing cost:** Borrowing cost that are directly attributable to the acquisition/ construction of the qualifying asset are capitalized until the time all the substantial activities necessary to prepare such assets for the intended use are complete. All other borrowing costs are recognized as expenditure during the period in which they are incurred
- j. **Government grants:** Government Grants related to fixed assets are adjusted with the value of fixed assets/credited to capital reserve.
Govt. Grants related to revenue items are adjusted with the related expenditure/taken as income.
- k. **Contingencies:** Contingent liability is a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the enterprise, or is a present obligation that arises from past events but is not recognized because either it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation, or a reliable estimate of the amount of the obligation cannot be made.
- l. **Taxation:** Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and MAT credit entitlement if any, is adjusted against current tax. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.
